Dear Colleagues,

Thank you for the essential work you do every day to provide vital public services to our community. It's because of your dedication that Madison and Dane County remain such wonderful places to live, work, and raise a family.

As many of you know, our community continues to grow. With that growth comes new challenges—as well as opportunities to support those in need.

One way we can make a collective difference is through the City & County Employees Combined Campaign, which allows public employees to support nonprofit organizations making an impact both locally and globally.

At a time when many people face uncertainty, your contribution can provide hope and stability. Whether you choose to give a one-time gift or set up a recurring donation—weekly, bi-monthly, or monthly—you can support a specific charity, an umbrella organization, or the general campaign. Every contribution, no matter the size, makes a real and lasting difference.

Your tax-deductible donation goes directly from your paycheck to support causes you care about. The campaign represents a wide array of organizations working to improve lives and strengthen our communities.

Your generosity helps build a better future for all of us. Please consider making a meaningful gift that reflects your values and commitment to the community.

With gratitude,

Melissa Agard
County Executive

Satya Rhodes-Conway
Mayor

City of Madison & Dane County Combined Employee Giving Campaign Facts

What is the Combined Campaign?

- An annual workplace campaign conducted by the City of Madison and Dane County employees.
- A once-a-year fundraising effort benefiting people with disabilities and disease, the elderly, victims of abuse and violence, the homeless and hungry, the environment, human and consumer rights, economic development, educational opportunities, and emergency relief.

What are my choices?

The campaign is a combined effort of six umbrella organizations that represent more than 270 local, statewide, national, and international nonprofit charities from which to choose.

Local/Statewide Umbrella Organizations & Charities

- United Way of Dane County
- Community Shares of Wisconsin

National/International Umbrella Organizations & Charities

- Global Impact
- America's Charities
- CHC: Creating Healthier Communities
- EarthShare

How do I learn more?

- Read the umbrella organization and charity descriptions in this booklet.
- Contact your campaign coordinator to help answer any questions or concerns.
- Visit our Combined Campaign Website, hosted by the County, at <https://combined-campaign.danecounty.gov/>

Can I specify who will receive my contribution?

Yes, the choice is yours and contributions go to the charity/charities you choose. Simply select the charities you would like to support and designate your contribution to them on your pledge form. You will find charity code numbers in this booklet. You cannot contribute through the Combined Campaign to a charity that is not listed in this booklet.

Is my contribution tax-deductible?

Yes, as allowed by law. Only umbrella organizations and charities that qualify for federal tax-deduction status are allowed to participate in this campaign. The Pension Protection Act of 2006 now requires taxpayers who claim deductions for charitable donations to provide proof of all contributions should they be audited. Be sure to keep a copy of your pledge form for tax purposes. In addition, if you choose payroll contribution, keep copies of all pay stubs and/or other documents from your employer that indicate the amounts you have given to charities. If you contribute by cash or check, keep all receipts, cancelled checks, and/or bank statements that verify the amounts and recipients of your contributions. (The campaign will mail official receipts for cash and check gifts of \$250 or more. Receipts for gifts of less than \$250 are available upon request.) If you have any questions about tax deductions for charitable gifts, consult a tax professional.

Success Stories

United Way of Dane County

At United Way of Dane County, we help young people realize their full potential by breaking down barriers to success. Through our Youth Opportunity impact area and partnerships like the Children's Dyslexia Center (CDC), we foster the skills and confidence students need to succeed.

One recent graduate shared how the program opened new doors for her: "Once I started in the CDC program, I realized that I had the option to learn how to live with dyslexia and grow my skills in reading and writing... I realized there was a whole world

of excitement and imagery waiting for me within the pages of books." She graduated with a 3.7 GPA, was part of National Honor Society and takes with her the love for learning.

United Way is proud to invest in strategies and programs that improve lives and foster a future where every young person can realize their dreams.

Community Shares of Wisconsin

Ken Feltz, a multi-generational farmer in Wisconsin's Little Plover River watershed, cares deeply for his land. When controversy over local water resources arose, he stepped up to join a public/private partnership. There, he met the Wisconsin Wetlands Association.

A collaboration was born. Together, they explored how wetlands could improve his farm and address the river's water issues. Ken has since implemented significant changes: converting irrigated row crops to pasture for better infiltration, and strategically filling ditches to restore wetlands and groundwater levels.

"The best part is working with partners," says Ken. "We're collaboratively coming up with solutions to improve our farm's bottom line and our community's wetlands and waterways." He's just getting started.

Success Stories

Global Impact

Helen Keller International: Vitamin A Improves Health for Children in Mali Four-year-old Abdoul Aziz Coulibaly, living in a small Malian village, was often sick and, alarmingly, lost most of his vision after sunset. Unbeknownst to his family, Abdoul suffered from nyctalopia,

or night blindness. Vision loss and frequent infections are telltale signs of a vitamin A deficiency in young children. When kids don't get enough of this vital nutrient, their developing vision and immune systems are put at serious risk. Helen Keller International provides a simple, inexpensive solution: high-dose vitamin A capsules every six months until a child's fifth birthday. Immediately after his first dose, Abdoul's parents were stunned. Not only did his vision quickly improve, but his appetite increased, and he began playing more with other children—even after dark. This vital intervention helps children like Abdoul grow up healthier.

America's Charities

Support for America's Charities creates success stories across the United States and throughout the world. Even small donations make a big difference. For example, a \$1 per month donation funds five minutes of lifesaving children's cancer research by **Cancer Research for Children - CureSearch**. A \$1 per pay period donation helps the **National Fallen Firefighters Foundation** provide 10 remembrance cards to the families of fallen firefighters on the anniversary of their firefighters' death. From protecting animals with **Humane Society International** to protecting human rights with **Amnesty International of the USA**, you can be part of a success story with America's Charities.

CHC: Creating Healthier Communities

Luann remembers a time in her life when she had three diagnoses, tried 50 different psychiatric medications, and made multiple suicide attempts. She was hospitalized 25 times. In 1997, she saw a sign for a local NAMI and with nothing left to lose she walked in seeking help. She never left.

She eventually worked her way up to become a Program Director and has used her story to advocate for others. Luann has been in recovery for 20 years and serves NAMI Wisconsin as a state trainer for three different signature programs. NAMI gave her more than just hope. NAMI gave her a purpose. NAMI provided her with a safe environment, treated her as an asset, and supported her in her recovery.

Alliance for the Great Lakes Adopt-a-Beach Program

For more than 30 years, the Alliance for the Great Lakes has run the Adopt-a-Beach program, the largest of its kind in the Great Lakes region. This year, more than 10,000 volunteers will collect more than 500,000 pieces

of litter from Great Lakes shorelines and waterways in nearly 1,000 individual events, across all five Great Lakes in all eight Great Lakes states. We collect data of every piece of litter removed and share this data with researchers and scientists across the globe.

United Way of Dane County mobilizes the caring power of our community so all can thrive. From advancing health and education to strengthening livelihoods and local resilience, we connect people to possibility. In 2024, over 82,300 neighbors were supported by United Way funded strategies and programs across Dane County.

Through our network of caring connections – which includes hundreds of local nonprofits, businesses, community leaders, donors and volunteers – we’re able to address big-picture issues no one person or organization can solve alone.

At United Way of Dane County, we come together to close gaps and open opportunities. United Way’s comprehensive approach and community roots mean we can find a way forward. And with our Plan for Community Well-Being and your support, we’ll achieve measurable outcomes and bring life-changing solutions to our neighbors in these four areas: youth opportunity, financial security, healthy community and community resiliency.

Together, we are The Power of Caring. Working for All.

You may contribute to United Way of Dane County or select one of our partner nonprofits listed in this section. Starting this year, gifts to United Way of Dane County will go directly to impact. This means zero overhead. 100% impact. Gifts will be invested into solutions to our community’s greatest needs through our Plan for Community Well-Being. Gifts to partner nonprofits will be distributed to the selected organization.
